Go to the Work

D⁷   Gm   E♭   Gm   D⁷

1. Go to the work, the work of God's own choos-ing,
2. Go to the work, with God's love in your ac-tions,
3. Go to the work, with God's joy o-ver-flow-ing,
4. Go to the work, for work-ing is a bless-ing,

E♭   F   B♭   D⁷

With all your heart, with hap-pi-ness press on;
Be just and fair, con-sid-er-ate and kind;
A will-ing tool, a ves-sel in His hands;
God saw His work, and said that it was good!

Gm   E♭   Gm   E♭

The work is His, who gave you the po-si-tion,
But al-so firm, for-ev-er e-vil hat-ing,
A cho-sen one, a mes-sen-ger for heav-en,
He gave to man some la-bor un-der heav-en,

si-tion,
hat-ing,
heav-en,
heav-en,

Gm   D⁷   Gm

And what God does is al-ways right-ly done!
And leave all sloth and la-zi-ness be-hind.
To bring His life and heal-ing to all lands.
That by this school, God would be un-der-stood.

Bb   F   Gm

Go to the work, and sow the seeds He gives you,
Go to the work, but do not think of mon-ey,
Go to the work, and nev-er look be-hind you,
Go to the work, for it is prep-a-ra-tion,

Bb   Cm7   D7

It's not your place to make them sprout and grow;
Or of re-ward, or cas-tles in the sky;
Though it is dark and dif-fi-cult to see;
Our mind and thoughts are form'd for heav'n-ly things;

Gm   C   Gm

But trust the Lord to bring them to fru-i-tion:
But just go on, and use the strength He gives you,
Take up the cross, and rush in-to the bat-tle,
To high-er realms, we soon will be pro-mot-ed,

i - tion:
gives you,
bat - tle,
mot - ed,

C   Gm   D7   Gm

A thou-sand ways, of which you do not know.
Look for the need, take up the work that's nigh.
God holds the stars, He'll give you vic-to-ry!
And then we'll work be-fore the King of kings!
