

The School of Jesus

F B^b

1. If we want to be by the crys - tal sea,
 2. Tho' the plough cut deep, till the earth would weep,
 3. Do you think it strange, that we all must change?
 4. If we heed Him still, and o - bey His will,

We will need to be en - roll'd in Je - sus' School.
 Yet there's con - fi - dence a har - vest will re - turn.
 We have much that we must lose, but more to gain.
 We will grad - u - ate to High - er schools a - bove.

B^b F B^b

For there's much we know which we learn'd be - low,
 For He works a - lone on the pre - cious stone,
 Tho' our hearts may burn from the truths we learn,
 Where we will not die, nei - ther shall we cry,

That will drag us down and con - tra - dict His rule.
 And the stu - dents of His school - ing real - ly learn.
 There's a heal - ing that's ac - comp - lish'd by this pain.
 But we'll learn and keep on grow - ing in His love.

Refrain

He will cut, ve - ry deep,
He will cut, ve - ry deep, ve - ry deep,
He will cut, ve - ry deep,

But re - mem - ber that His school - ing is the best!

And the path we climb will be steep,
And the path we climb will be steep,
And the path we climb will be steep,

But it's on - ly so that we can pass the test!
